Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If any of your children have married since this entry was made in the genealogy, please give me their current address so I may write them.

Best regards,

Merwyn R. Buchanan

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If any of your children have married since this entry was made in the genealogy, please give me their current address so I may write them.

Best regards,

Merwyn R. Buchanan

Dear Cousin:

In reviewing my records, I found that I have written you more than three months ago requesting information about your family for inclusion in Volume III of The Merwin Family in North America, our genealogy.

It is possible that you have replied and I misfiled your letter since filing is not one of my strong points. If you have answered, please tell me so. If not, may I hear from you? Your answer will be much appreciated and ensure your being in the book.

Sincerely yours,

Dear Daisy:

Thank you for the information that Jeffrey married Lori on June 1, 1985. Perhaps you would give me a bit more information.

I need Lori's date of birth, place of birth, her parents' names including the maiden name of her mother. Also where they were married - town and state. I presume it was in Clarksburg.

When I get this info, I'll put a notice in the next Milestones which should be out in August.

Dear Merwyn,

It was nice to return home from a several week trip and find a letter from you. I'm sorry to always be so long answering your questions and hope you won't give up on us. It is such a pleasure to hear from you.

We do not know the names of Jessie d"Orchimont's father or mother. At the time Jessie married E.I.Merwin, she was living in Philadelphia with her mother who owned a ribbon shop. My father-in-law remembers his grandmother very well but says that there was never a discussion of family names in his presence that he remembers. Jessie's father died after her birth in Helena, Ark., her mother moved first to Cincinnati and then to Philadelphia and did not remarry. She had an interesting life and if I lived closer to the sources of information, I think it would be fun to try to trace this part of my husbands family. But, that wouldn't be any help to a Merwin Geanealogist!

Our son Lee, in Dallas, says that you contacted him for more information. He has promised to explain his situation to you; if you do not hear from him, please let me know and I will clear up the questions.

I expect that you think you've begun corespondence with a covey of coo coos; to some degree, you're right!

Sincerely,

Ada Joe Merwin

Dear Mrs. Merwin:

You have been most helpful in providing information. There is, however, one important bit of information I hope you can get for me. That is, Jessie d'Orchimont's father's first name and mother's maiden name.

This sort of information is important to those who will refer to the supplement in the future.

Best regards,

Dear Cousin:

We're sorry to have caused you the trouble of writing our son John (9-22-80) in Santa Monica, Ca. to update our family records. We have been away all summer and are just now getting caught up on overdue correspondance.

I have filled out your forms to the best of my knowledge. If you require further information, please let me know.

I have also included a correction sheet for 3948: Edward Isaac Merwin. Somehow or another, our original correspondence with MMA must have been lost since what is in the MERWIN FAMILY IN NORTH AMERICA was from other's records (our genealogy chart is rather complete) which were incorrect and incomplete in places.

This was a big undertaking and overall a very well done one in my opinion.

Good luck with the supplement and our thanks for taking on such a big job!

Sincerely,

Ada

As you may know, the Miles Merwin Association is anxious to make the Merwin genealogy more than a statistical listing of names and dates. To make the record interesting, colorful and personalized, we must have biographies of living Merwins. These might include schools attended, degrees obtained, awards, military service and other accomplishments or interests.

Many Merwins submitted biographies with their genealogical line information, but these may have been furnished some time ago and need to be brought up to date.

We are making good progress in completing the genealogy, accordingly, we must ask for your reply before November 30th for inclusion in the manuscript.

As you may know, we are writing Volume III of The Merwin Family in North America.

When we wrote Volume III, you were very helpful to me. May I impose on you again? I need your brother Webster's current address if he is now married. He was single when Volume II was compiled.

If your son, David, is now married and interested enough in our Association to join, give me his current address, and I shall put his family entry in Vol. III.

Your last letter mentioned that Susan is now living in Philadelphia. Did they move from Audubon? If so, please give me their current address.

TO:Board of Directors, Miles Merwin (16232-1697) Association, Inc.
FROM: Merwyn R. Buchanan, Genealogist

SUBJECT: Genealogist’s Report

1- Preparation of Volume III
Today I am turning over to Charles Merwin the draft of Volume III containing 328 pp of text so that he may edit and proof-read it. The Introduction is still to be written, and the index of names must be added when the manuscript is completed. The Index for Volume II contains ninety-nine pages and the Introduction nine pages. Thus the final manuscript will contain approximately 436 pages. In Volume II, the eleventh, twelfth and thirteenth generations took 287 pages. In Volume III, the same generations are expanded but fill only 191 pages. The reason for this apparent contradiction is the fact that Vol. I was written with each line 1-1/2 spaces apart. Volume III is single spaced. Thus, we have conserved space and the final manuscript will be about 440 pages instead of 957.

I have obtained a quotation from Port City Press to print Volume III. Attached is that quotation developed for 400, 500 and 600 copies. We must decide the quantity to have printed and the per copy cost.

2- Volume III Completion
I have contacted virtually all people possible to get up-date information. Unfortunately, there are many people I have been unable to get information from because of one of the following reasons:

a. Mail addressed to the address in our files was returned as undeliverable. Effort was made to contact syblings or parents by mail primarily and, in some cases, by telephone.

b. People never answered a letter in which case I wrote a second which was not answered.

A number of things contributed to our failure to obtain some up-date information. One is the increasing divorce rate. If the Merwin is a male and has been divorced, he is not interested in family matters even to the extent that he has no interest in, or does not know, the location of his children. Another is the fact that an increasing number of persons are co-habiting without getting married. Also, many are deferring marriage to complete long years of schooling or engaging in a career. The married children of eleventh generation female Merwins shown in Vol. II are less interested than their mothers particularly when you explain that they must join our Association to have their families in the book. Despite these problems, I feel we have done the substantial part of the job. You can see evidence in the two previous volumes of persons who would not give information. It is just that this is an increasing trend.

3- In October 1989, we published a new Association booklet. On advantage of this one over the new one is it contains fewer pages than the previous one and is, therefore, lighter. The postage to mail new members their welcoming letter together with a copy of Milestones, the address list and the Associaton booklet was $1.25 in the USA is now $1.05, a savings of $.20. or 16%.

4- Milestones

We experimented with a 10 page issue beginning with #89, September 1989. We found it did not increase postage to US destinations. However, mail to Canada must be sealed. The newsletter plus the envelope increased the postage to $.45. (One ounce is $.30). Another effect of the additional page was the printer is raisine his price because of the difficulty of folding ten pages. It must be done by hand. The increased cost will be $70.00 per issue. If you agree, we shall return to the eight page format which may necessitate delaying reports of some vitaql statistics, but that is not serious. The ten page issue was tried largely because of the addition of an unusually large number of new members and an increase in reporting for Volume III as well as Milestones.

5- Merwins Outside the USA

We should consider raising the cost of membership to persons living outside the USA. There are a large number in Canada, one in England, and our missionary cousin who moves from Korea to china to Canada. The price to these people should be in US funds. The Canadians who pay $10. Canadian are actually paying about $8.30 US less exchange fee.

6- Walter Merwin's Administration

Attached is a statement of the administration of Walter Merwin's estate. He was the father of Miles [1] Merwin.

Dear Helene:

It was great to hear about you. It has been a long time since we talked.

I am a bit confused about you name. After your divorce, we set up your name on our members list as H. Cristal Merwin. We called you "Chris". Apparently, you decided later to use your first name, Helene. If that is the case, I'll be happy to change your name on our members listing.

I am puzzled about your comments concerning your being listed on our web site. As far as I can see, only the officers of the Association have been listed. To list all members would be burdensome. When a person is added, dropped or name changed, I must change the listing on my computer and see that Gaius' records are updated.

Your mother is listed as Helene Merwin. How does she want her name on the list? She sent me a nice note the other day. Please give her my best.

Does your daughter still live in North Jersey? Betty and I would be happy to see you when you are going by if you will stop.

Happy New Year,

Merwyn

Dear Helene:

It was great to hear about you. It has been a long time since we talked.

I am a bit confused about you name. After your divorce, we set up your name on our members list as H. Cristal Merwin. We called you "Chris". Apparently, you decided later to use your first name, Helene. If that is the case, I'll be happy to change your name on our members listing.

I am puzzled about your comments concerning your being listed on our web site. As far as I can see, only the officers of the Association have been listed. To list all members would be burdensome. When a person is added, dropped or name changed, I must change the listing on my computer and see that Gaius' records are updated.

Your mother is listed as Helene Merwin. How does she want her name on the list? She sent me a nice note the other day. Please give her my best.

Does your daughter still live in North Jersey? Betty and I would be happy to see you when you are going by if you will stop.

Happy New Year,

Merwyn

Actually, I just found your e-mail today, Sorry.

I am not really the person to contact. Either Buchanan or Gaius would
be the correct contacts. I put the information on the net for
information only. I will forward this message to Buchanan.

I do not believe that it would be in the best interest of all to be
listed. But, I would do so if there were a need and the file were
easily available.

Dear Chris:

Many thanks for your recent letter.

I appreciate the addresses and information you gave me. I shall write them as time permits. Have been quite busy writing the book on the antecedents of Miles^1 Merwin.

I am sorry to say that Betty and I are unable to be at Cassidy Helene's baptism. Betty is not well at all. She has not recovered from our trip to Cape Cod for luncheon last month. We did have a good time though. Charles, Gaius, John David and Roger were there with their spouses. They are all sociable and fun to be with. Charles and Betty's "cottage" is lovely.

Hope you will be able to stop and see us as you tour New Jersey. Just give us a call.

I have a friend (cousin of Betty's) in Columbia, SC. He is a retired Colonel and West Point graduate. Now in his 80s. We correspond from time to time. His name is Sam F Silver
7149 CALEDONIA LN, COLUMBIA SC 29200-3003. I do not know what you are selling in Columbia, but I am certain he would welcome you if you contacted him. He was born and raised in south New Jersey. Knows the area well.

Best regards,

Dear Merwyn and Betty —

Forgive this "fancy" stationery. I'm in Columbia, SC on business - without much to write on - and brought my unfinish correspondence to catch up on at night.

I realized that I gav your Bill's daughter, Shary Lee's birth place as Ocala, FL. It should be St Augustine, FL.

The address I have for my niece Sarah is old, but I believe still valid. They, also, have just had another baby:

Capt & Mrs (Sarah) Rob McElroy
66 Transportation Co.
Unit 23125
Box 3661 APO AE 09227

Also, Miles' daughter, Beth, has another child (~~their 1st~~ Beth & Mike's 1st, Beth's 2ND) Michael O'Neill, Jr(?) and she's expecting again!! Miles' address is

670 Weston Dr, Collierville TN 38017.

6-98

You may or may not hear back if you write to him - depends on who opens the mail. (Same in Ed's - Clarence house) My sisters in law are somewh intimidated - or whatever else they would like to call it - AA. Over

Columbia SC is a great little town!!! Laid out by same person who designed Washington D.C., lots of old, interesting architecture. I've met some interesting people. Purchased some property that I will be here a while to work with - off and on. Did I mention Bill's daughter, Cassidy Valerie, being christened 20 Aug in Ketchum? It will be at Methodist Church. I will be there and we'd love to have you join us. Let us know if you can make it.

Must close. Car is [illegible].

Dear Cristal:

Many thanks for your letter dated 29 August. It was good to hear from you.

Enclosed is the coat of arms you requested. I hope you like it. It was made by color photocopying, and I think the colors are amazingly true and quite attractive.

I appreciate the information about your newest grandchildren. Here is what I have set up for inclusion in the next *Milestones*:

Director Cristal Merwin of Hayesville, NC reported her two new grandchildren:
> SHAYLEE ELIZABETH LESSIG born 13 August 1993 to William J. & Amy Elizabeth (Duears) Lessig, Jr.
> KELLY ANN SCHUITEMA born 28 August 1994 to Dr. Henry C. & Susan R. (Lessig) Schuitema.

Please let me know if there is any error in this announcement.

R. by phone
Chris 9/19/94

Your house problem is certainly a mystery. Is it possible that a person could obtain entrance to your house by some means other than a door? Is there a basement window that may have been pried open and later closed so that you would not know it had been opened? Did you get a surveillance system set up? Seems to me that is the only way you have of discovering the entry in time to catch someone in the act.

We did have a great time at the reunion. People were most complimentary about the arrangements I made but the main thing was to select the right inn. They do a great job. The kind of service which foresees your needs and takes care of them without fuss or fanfare. We did not get to do much of the restored area. Betty just can not walk any distance any more. However, we have been there on other occasions so we did not miss anything. Next year the reunion will be in Milford as you know.

Yesterday, Labor Day, we had our whole family here for dinner. All seven of us. How small can a family get? It was fun anyway. Our granddaughter, Rusti, just started first grade. She is smart and sweet. Of course I would say so. Right?

Just published a genealogy of Betty's family, *Vanaman Family: 1994 Update*. The Vanamans were early Dutch settlers of Northern New Jersey and gradually moved down to the southern area. An interesting family. The book represented six years work for me, but I enjoyed it.

When you are rolling up the Jersey Turnpike to Susan's, give us a call and stop in. we would be delighted to see you.

All our best,

don't keep records except when criminal behavior occurs. It's a real mystery!

Read that you had Merwin's coat-of-arms. Would love to have one. I've enclosed a check for $6.00 to hopefully cover postage.

Hope all is well with you two!

Much love
Cris Merwin

Dear Chris:

When you and Susan visited us, you asked me to have my daughter, Lorraine, give Henry a tour of the rehab facility at Jefferson. I asked her several times and even wrote her a letter detailing Henry's name and interest. But, I must admit she has not done as I asked. This surprised me since she usually has been cooperative. The only explanation I can think of is that she has changed her working arrangement and is now working just three days a week. This has cramped her time yet her responsiblities have not been curtailed. By copy of this letter, I am asking once more, and the last time.

Because of this situation, I have not written you for the family information we need for Volume III of MFNA. Hate to ask you to do something for me when I do not do as you requested. However, Enclosed is your family entry. The blank spaces are self-explanatory. In addition, please give me a brief biography of Sharon and William along these lines:

Thank you for your letter. I have written to Gaius and asked that the money be absorbed into expense or as he sees fit.

We loved Milford! You and Betty added so much to our experience. We truly appreciated your kindnesses!

Gaius forwarded your recent note showing that your brothers, mother and your children are now members of our Association. I have duly acknowledged to them their membership, welcomed them and provided them with our latest publications.

There is one exception to this statement. Your brother, C.E. Merwin recently reinstated his membership; so, I did not write him. Perhaps you would write Gaius and tell him how you wish the $10 dues money for C.E. to be applied. I am copying Gus on this letter so he is aware of the situation.

It was great seeing you, Susan and Henry at the reunion. Hope you enjoyed the experience.

The Association's 1989-90 fiscal year began June 1, which means that dues are payable. It is noted that your dues were not paid last year so you owe $20 for the two years.

We hope that you will renew your membership and thereby support the Association's activities. Your membership is important as it helps to continue the research and recording of the Merwin family history, past and present.

Any ideas you may have to make membership more interesting would be most welcome. We urge you at least to renew your membership. An envelope is enclosed for your convenience.

As I promised on the phone last night, here is a family record form for you and your family.

I'm also enclosing a record form for your brother. Would you be kind enough to ask him to complete and return it to me?

I'd also like your brothers Miles' and Bruce's addresses so I can write them.

Would you please give me your aunt - Lillian M. Blackwell's - address?

It was nice getting acquainted on the phone.

Dear Cousin:

We are writing a Supplement to The Merwin Family in North America (published in 1978). Our purpose is to continue that genealogy from the tenth through the fourteenth generations (from Miles Merwin 1623-1697).

Since you are one of our family, we would appreciate your completing the enclosed family record. Missing items are encircled or indicated by a question mark. There is no charge or obligation on your part. All Merwins should be in the book.

Your cooperation will be much appreciated.

Best regards,

Merwyn

Who: Bruce M.C. Merwin dba Merlyn Films has been shooting film and tape in Florida since the sixties. In 1979 Bruce started his company and has worked as a photographer for all the major television networks, over one hundred small businesses, companies and corporations and some of the major motion picture companies. Bruce has to his credit *Global Village, The American Music Festival, A Nation In Response*, and hundreds of television shows, projects, and special features.

What: "I would like very much to let *you* know that *you* can enjoy producing your film or television show with my help. I have over the years worked with people who had…'never done a film'…and we had fun and when it was all over they had a production they could be proud of." For the professional: Bruce Merwin is an IATSE member of locals 631, 666 and 780.

When: Now is the best time. If you are not already a Merlyn Films client we want you to be. We are offering VHS video production for 50% off labor cost to first time production clients.

Here is what you get:

2 Copies of the production on VHS video tape;

Music with the production;

Narration, if you do not have a company or relation that you want to do it;

Your logo or other art work in the front of the tape as an opening and closing;

a pre-production meeting, where we decide what to put into your production, a production day (8) eight hours, and post production, where we add your title, music and narration.

50% off labor cost to you, there is no sales tax on television production. If you do not have a video in your office or home we will help you get the best deal on a video player that is best for you or locate the nearest video rental store so you can rent one when you want to show your production.

Where: Your office, shop, home, any location you want to choose, it is up to you. We have the lighting, sound and other production gear to go on location and make your production interesting and fun to watch, not a stuffy show that will bore your viewer, a fun, informative program that will tell them about your company, tell them about yourself, tell them about your family, tell them about the product or service that you want to sell. Many companies need this video to give the same information to each new employee or customer who comes to them for employment or goods and services. This video will stand in your waiting room, lounge, or reception area and automatically play the program for your waiting clients and/or customers.

How: In Orlando call 236-9762 and ask for the video special, then give the receptionist your name, address and phone number. You will be sent some additional information and a pre-production sheet for you to understand better how this video is going to be done. Please tell the receptionist when the best time to meet with you or your representative is and if you want to come to the Merlyn Films downtown office or if you would prefer that we come to your location. Also, have a tentative date in mind that you will want to have your production finished by; that will help in scheduling your production day. Also, if you have any other questions, please feel free to ask the receptionist to write them down and when we return your call or see you we will have the information that you requested.

Why: a video production of yourself, your family, your work, your hobby or other events in your life that are special can all make excellent programs. Over the years your video's become a living color, with sound and music tribute to your life and work. You are an important person, you have done some very interesting things in your life and this video will share with others your accomplishments. Also, you may be doing some very interesting and helpful things with your business or practice. This video will help you prepare the public for your service or product; it will aid in letting them know who you are and what you do. This video will be produced by a cinematographer who understands the angles and who knows how to show you and your product or service in the best light.

Merlyn Films Studio for substantial savings in production costs.
